Thursday 2<sup>nd</sup> April 2020

Dear Parents / Carers,

First of all, I hope that you are keeping safe and well at home during these very difficult and unprecedented times. Whilst, we have faced a number of challenges over the past few weeks, as a school community, we have been able to overcome these and work together to ensure that our children remain safe and happy and continue to learn new skills and knowledge.

The staff have greatly enjoyed sharing the photographs of your home learning and whilst, we are missing you all we can see that you are safe and are enjoying the work your teachers have set. Thank you also to those of you who have taken the time to personally thank teachers and school staff, your kind words mean a great deal and are very much appreciated.

If for any reason you are unable to access the internet and/or have limited technology at home, please do not worry about the amount of work your child is able to complete on-line. Many of us here are also facing the challenging of trying to work from home, whilst home educating and facing daily uncertainties, it is not easy and I am sure that you will all be doing your best.

School would have closed tomorrow, Friday 3<sup>rd</sup> April, for the two week Easter holiday, re-opening on Monday 20<sup>th</sup> April. Whilst, provision will continue to be made by school to care for the children of Key Workers, teachers will not set any home-learning tasks during this period. I am sure that you will come up with lots of creative ways to enjoy the 'holiday' from the safety of your homes and we look forward to sharing your pictures following the break.

A reminder that you are able to follow Masses during Holy week and on Easter Sunday via Sacred Heart church's webcam.

Wishing you a blessed and peaceful Easter

Mrs Dungworth  
Headteacher
