

Sacred Heart RC Primary School
'Learning to Love ...Loving to learn'

Year:		The Whole Child Action Plan					Spring 1	
The first entitlement of all children is to be <i>Spiritually, Morally, Socially and Culturally Educated</i> ... Children should first be educated spiritually and as a Catholic Community spiritual education is about our beliefs, our relationship with God and who we are from the scriptures. The whole of our curriculum is permeated in our beliefs and values.

			Science	History	Geography	ICT/Computing	Art/DT	
What's beneath our feet?			Rocks Compare and group together different kinds of rocks based on their appearance and simple physical properties. Describe in simple terms how fossils are formed when things that have lived are trapped within rock. Recognise that soils are made from rocks and organic matter.		Human and Physical Geography: Describe and understand key aspects of physical geography, including: volcanoes and earthquakes.	Design and write programs to achieve specific goals including solving problems. Use sequence, selection and repetition in programs; work with variables and various forms of input and output. Use scratch to code and debug scratch programs. Volcanic link.	Art: Use different brushes for different purposes. Add different materials to paint to create effects. Dt: Tabs, flaps, levers and linkages and pop ups. Draw and paint a volcano, use tabs and flaps to reveal a cross-section. Include pop up sections and pull out sections. Eric Carle- Painting textures.	Rock/Fossil hunt nearby locations: Besom Hill, Offerton, Newhey Quarry. Volcano- Bicarbonate soda vinegar reaction.
